YEARBOOK

DEDICATION

Every once in awhile a man comes along who is willing to put his all into the career he has chosen. He alone is the one to whom people turn to during troubled times for leadership and strength to see the crisis through.

William H. Rizzini is such an individual. Twice he has been the acting "Commander-in-Chief" of Roger Williams College during times of reorganization and through his diligent and persistent efforts, he has always managed to keep the College moving onward.

We the Senior Class wish to offer our congratulations and best wishes to Mr. Rizzini on being named President of Roger Williams College. We are glad that we were here to see him so named and therefore dedicate this yearbook to William H. Rizzini for a job well done.

The Class of 1978 know him as student, resident assistant, head resident, dorm director, and most of all, friend. We have grown with him in the years we have been here. While he was a student at Roger Williams College, he was a friend and a student advocate. As dorm director, he remains a friend and student advocate.

This person is always there to lend a helping hand. If you have a problem he is there with an open ear. It is nice to know that there is someone there when you need them. The underclassmen will find this in him as they begin to know him.

The Yearbook Staff of 1978 would like to show their appreciation to their advisor, D. Paul Nalette, by devoting this page to him. We would also like to extend our feelings of respect and love to him for all that he has done for us during our years at Roger Williams College.

BLIZZARD OF "78"

STOPPING BY WOODS ON A SNOWY EVENING

Whose woods these are I think I know.
His house is in the village though;
He will not see me stopping here
To watch his woods fill up with snow.

My little horse must think it queer
To stop without a farmhouse near
Between the woods and frozen lake
The darkest evening of the year.

He gives his harness bells a shake
To ask if there is some mistake.
The only other sound's the sweep
Of easy wind and downy flake.

The woods are lovely, dark and deep,
But I have promises to keep,
And miles to go before I sleep,
And miles to go before I sleep.

And Then The Snow Fell . . .

And Fell . . . And Fell . . . And Fell

The Results . . .
Two Days Later

 Check out that BOX!
 The students aren't apathetic here anymore, the faculty has a corner on the market now.
 Bob go stand under your desk!
