## Mott House: People involved in its Restoration and Research

Follow this and additional works at: [https://docs.rwu.edu/baker\\_documentation](https://docs.rwu.edu/baker_documentation)

Part of the [Historic Preservation and Conservation Commons](#)

---

22 November 1999  
Mott House players to date

Richard Long, Arch. Did the original measured drawings, has artifacts, notes etc. on the project. Would complete the drawings as needed.  
847-3131  
80 Division St  
Newport, RI

Ann W. Baker ("Pete") - in charge of disassembly process, has notes, slides etc. on the process and was the one who suggested this project be completed in terms of the documentation. Pete has a wealth of knowledge on this and to the general subject.  
508-636-3272

29 ~~670~~ Drift Road  
Westport, MA

Jan Armor, photographer - did original documentary photography and has the negatives and proofs which we would like to obtain through an honorarium to Armor  
683- 3754  
2701 E. Main Road  
Portsmouth, RI.

Steve Tyson, Architectural Preservation Group - was basically the disassembly contractor on the project. He has a day journal, slides, and extensive recollections.  
401-737-2746

119 Meadow St.  
Warwick, RI.

Jim Garmen, Public Archeological Lab – worked on the dig and has  
general knowledge  
401-728-8780  
Pawtucket, RI.

James Deetz, - in charge of the dig, through Brown U. and Plymouth  
Plantations. Mentions Mott Ho. in his book

Dell Upton – worked on Mott genealogy, perhaps further involvement,  
may have information in a book – information incomplete at this time.

George Waterman, Sr. & Jr. – provided funding for at least parts of the  
project originally  
East Greenwich, RI.
