

**TREE RE-DEDICATION  
IN MEMORY OF**

**NATHAN SCHULDHEISS**, OS

*Special Agent for the United States Air Force  
Office of Special Investigations*

*Nathan requested the following quote*

*be shared with everyone*

*on his behalf:*

War is an ugly thing,

but not the ugliest of things.

The decayed and degraded state of moral and patriotic feeling,

which thinks that nothing is worth war, is much worse.

The person who has nothing for which to fight,

nothing which is more important than his own personal safety,

is a miserable creature and has no chance of being free unless made

and kept so by the exertions of better men than himself.

~ JOHN STUART MILL
