Grads Get High Marks on RI Bar Exam

Posted by David Logan on 11/09/2009 at 12:00 AM

The results from the [July bar exam in our home state](#) have come in, and the news is very good. RWU grads beat the pass rate of all takers (RWU grads:83%; all takers:82%) and tied the rate for first-time takers (85%). Especially impressive is the rate racked up by the folks who graduated in May: 87%!

This success is not accidental: our strong student body gets a rigorous education in a personalized setting, so they are well-prepared for the challenges of both the bar exam and practice.
