# The Messenger

SPECIAL EDITION

May 25, 1985

## SPEAKER "BLOWS WHISTLE" ON GRADUATES

Mr. Ralph Papitto, chairman and CEO of Nortek, promised in his keynote address titled: "They said it couldn't be done, so he didn't even try", something they would always remember. So, to commemorate the class's achievement and mark the occasion with a memorable finale he blew a whistle which cued a 50 piece band to march in and entertain the audience of graduates, relatives and friends with several uplifting musical renditions. He also commissioned and caused to be distributed this special edition of "The Messenger" containing the names of all the graduates in order for them to enjoy the unique experience of seeing their name in print and as a keepsake memento of this milestone in their career.

Congratulations from Ralph Papitto to the 1985 Graduating Class of Roger Williams College in alphabetical order...
