Buckley Bio Reviewed and Admired Widely

Posted by David Logan on 03/01/2012 at 01:53 PM

Prof. Carl Bogus' [recent biography](#) of conservative icon William F. Buckley, Jr. has been widely reviewed in the national media. Below are links to the reviews, both in print and on tv and radio. My favorite: the masterful one-sentence review appearing in the NY Times Sunday magazine of February 26: "How liberals should write about conservatives."

Congratulations Carl!
