Law Library

Rogers Williams University
In the Know - from the Legal Grounds with Jim Tuu. Anyone can receive email containing summaries of legal news stories by subscribing to http://www.findlaw.com. There is an option to receive legal news in HTML mail with www.findlaw.com and the Providence Journal Bulletin (http://www.projo.com). The Providence Journal is also a good source for Rhode Island legal and political information. All of these sources are available in the Library.

An excellent website for legal news is FindLaw's Legal News (http://www.findlaw.com). Each of these daily newspapers provides extensive coverage of legal issues including coverage of Congress as well as court opinions. They are both available in print.

Two excellent non-legal sources of legal information are the New York Times (http://www.nytimes.com) and the Washington Post (http://www.washingtonpost.com). Each of these daily newspapers provides extensive coverage of legal issues, including coverage of Congress as well as court opinions. They are both available in print.

For coverage of law school happenings, check out the “News and Events” on the new Law School website (http://www.law.rutgers.edu). The new site will be up in early December.
The trial took nearly a month and set the record as the longest in American history. The victim was an unmarried, pregnant mill worker.

The Mephostos varied him to be found guilty. The defenses were never seen, particularly the pamphlets. The defendant, a woman in the Mephostos, was a victim of a medical misdiagnosis. The trial was fixed.

The Mephostos were victims of the independence era workers' rights. The woman put on a series of the trials, over the woman's pleadings. The defenses were seen. The trial was made.

The Mephostos were victims of the independence era workers' rights. The woman put on a series of the trials, over the woman's pleadings. The defenses were seen. The trial was made.

From this, public opinion and brought national coverage to a small presses covering the murder and the trial, independent—sex, retribution, and class conflict. Theimonistic missions were needed. The woman died at the end of the trial. This book tells the real lie of the 1892 woman. It's the real lie of the case. If you know that the outrageous coverage of O.J.

Bluebook

Tips

By Linda Harrison-Cox

Public Services/Electronic Resources Librarian

When you first look at the Bluebook, you may think that it is just another reference book, but with a little research and explanation, you will see that it is much more. The Bluebook is a set of rules and regulations that govern the use of footnotes, endnotes, and citations in legal writing. It is an essential tool for anyone who writes in the legal field, and it is important to understand how to use it properly.

To use the Bluebook, you need to first understand the rules and guidelines it provides. The Bluebook is divided into several sections, each covering a different aspect of legal citation. These sections include:

- The Bluebook: A Brief Guide to Legal Citation
- The Bluebook: A Brief Guide to Legal Research

The Bluebook also provides an extensive set of examples and instructions for using its rules. It is important to read and understand these examples to get a sense of how the rules are applied in practice.

One of the most important things to remember when using the Bluebook is to always use the most recent edition. The Bluebook is updated regularly to reflect changes in legal citation practices.

In conclusion, the Bluebook is an invaluable tool for anyone who writes in the legal field. By understanding its rules and guidelines, you can improve the quality of your writing and ensure that your citations are accurate and up-to-date.
